ABOUT US

Academics & Beyond is a **highly rated** Soft Skills Training, Career Counseling & Personality Development Training & Consulting services organization based out of Bengaluru, India. Within a very short span of time (Estd. Oct 2017) A&B has catered to the needs of hundreds of working professionals & students and have received rave reviews on Google. Recently A&B has been recognized as one of the **20 Most Promising Workforce Development Service Providers** in India by Silicon India magazine. We cater to the needs of working professionals and students.

DISCOVERMYSELF

DiscoverMySelf is a "Personality Analysis and Counseling Service". We leverage internationally renowned, well researched & reliable Psychometric assessments for performing personality analysis. based on Jungian and Big Five models.

We do not rely on computational tools entirely for generating the report. Our process involves manual intervention, where our experts would analyse the answers provided by the individual & arrive at highly accurate insights.

The results provide information about 30 personality traits which would have a direct impact on our professional and personal success. Insights include - adaptability to change, creativity, risk appetite, problem solving/critical thinking ability, leadership skills, self-control & efficiency levels, motivational levels, orderliness, ability to learn new things, gregariousness, assertiveness, procrastination tendencies, stick-to-it attitude, teaming & collaboration skills, emotional intelligence & negative traits including anxiety, anger, self-confidence levels, etc.

TESTIMONIALS FROM PARTICIPANTS

"I had a 3 hr elaborate counselling on personality development, which gave me deeper insights into my traits and greatly helped me **discover myself**. The reports generated are almost 100% accurate and the way Mr. Srinath helps you assess your personality and suggests ways to improve it is just stupendous. I would highly recommend Academics and Beyond for PD counselling.." **Akshay**

"The counselling took place for 3 hours and I would never regret those 3 hours of my life. The reports are completely scientific and you will get information about things in which you are good at and most importantly the things in which you need to improve to become the better version of yourself. You will get to know about your strength and weakness". **Harshitha**

"I am almost forty and have more than 16 years of work experience. I was looking to change my domain skill set i.e. sales to something more lucrative and less intensive. But by the end of session with Mr. Srinath who pragmatic in his approach, made me realise... Truly an eye opener and the best guide who I have approached so far in my lifetime. Kudo and keep up the great work Sir!!" **Praveen**

"Well guided sessions took us to a complete tour of development in the areas of professional and personal life.", **Sameer Alvi**

"This place helps us to find our path and know our strengths and weakness. If at all you are confused and don't know what to do or take up. This place will help you! Thank you Academics and Beyond for being so honest and kind.". **Archish**
